## Loading the Dataset

The screenshot displays the IBM Cognos Analytics with Watson web application. The browser's address bar shows the URL `us1.ca.analytics.ibm.com/bi/?perspective=home`. The application interface features a dark background with a prominent header area that says "Hello. Welcome to Cognos Analytics with Watson." Below this header, there are two buttons: "Watch video" and "Take a product tour". To the right of the text is a 3D isometric illustration of data cubes and server racks. Underneath the header is a "Quick launch" section containing four interactive cards: "Upload data" (with an upload icon), "Prepare data" (with a data flow icon), "Exploration" (with a magnifying glass icon), and "Present data" (with a presentation icon). Each card provides a brief description of its function. At the bottom of the image, the Windows taskbar is visible, showing the search bar, taskbar icons, and system tray information including the date and time (12:21 PM, 11/8/2022).
